Becoming a Mental Health Counselor : A Guide to Career Development and Professional Identity

By Adam M. Volungis

Rowman & Littlefield Publishers

Becoming a Mental Health Counselor is a guide for students on the path to becoming licensed mental health therapists, as well as those just starting their careers. Filled with practical advice and tips, this book guides the reader through early career milestones of psychotherapists, including professional identity development, applying for jobs, and obtaining licensure.

Contributors

Adam M. Volungis is a counseling psychologist and licensed mental health counselor. He has worked with a variety of populations in multiple settings using cognitive behavioral therapy (CBT) for more than fifteen years. Volungis is associate professor and the CBT concentration coordinator in the Clinical Counseling Psychology Program (CCPP) at Assumption University. He is also president of the New England Psychological Association and the author of *Cognitive-Behavioral Therapy: Theory into Practice*.

Audience(s): College/higher education

Subject: Psychotherapy: counselling

Product format: Hardback

ISBN: 9781538121160

Price: £73.00

Publication date: September 2021

Extent: 352 pp

Illustrations: 1 Charts; 79 Tables,
unspecified

Format: 229mm x 152mm

Crisis and Renewal : An Introduction to the European Union

By John Van Oudenaren

Rowman & Littlefield Publishers

This clear text provides a comprehensive introduction to the EU's history, institutions, and policies in the context of the ongoing crises the Union faces. Explaining the different theoretical perspectives that are used to understand the EU, the book gives students the tools they need to assess whether the Union is on a path to renewal.

Contributors

John Van Oudenaren is a global fellow at the Woodrow Wilson International Center for Scholars, specializing in both EU and Russian affairs. Previously he held senior positions at the Library of Congress, including director of Scholarly and Educational Programs, director of the World Digital Library, and chief of the European Division. He has taught at the Georgetown University School of Foreign Service, the Nitze School of Advanced International Studies at Johns Hopkins University, and the Elliott School of International Affairs, George Washington University.

Audience(s): College/higher education

Subject: Politics & government

Product format: Hardback

ISBN: 9781538131268

Price: £96.00

Publication date: September 2021

Social Studies for Young Children

By Gayle Mindes and Mark Newman

Rowman & Littlefield Publishers

This completely revised early childhood curriculum resource, emphasizing social studies as an anchor for teaching integrated curriculum of math, science, literacy, art, and social-emotional learning, shows current educators and aspiring teachers studying early childhood curriculum the significance of social studies in the lives of young children.

Contributors

Gayle Mindes, EdD, is professor emerita at DePaul University, where she was a faculty member for 25 years and served as associate dean, acting dean, and chair of the Teacher Education Department. She is the author of several notable books, including *Assessing Young Children* and *Social Studies for Young Children: Preschool and Primary Curriculum Anchor, Second Edition*, as well as editor for *Teaching Young Children with Challenging Behavior* and *Contemporary Challenges in Teaching Young Children: Meeting the Needs of All Students*.

Mark Newman, PhD is professor of social studies education at National College of Education, National Louis University. He has written and edited articles and books on maps, photographs, primary sources, and various historical and geographical topics. He is co-author of a book on visual literacy. Newman has been awarded several National Endowment for the Humanities grants and was director of a Library of Congress Teaching with Primary Sources project. In 2016, he won the National College of Education Distinguished Teaching Award.
